

**United States Bankruptcy Court  
Northern District of New York**

**Important Notice**

(March 21, 2007)

**REAFFIRMATION AGREEMENTS - Albany Division ONLY**

Please be advised that if a hearing on your reaffirmation agreement is adjourned for any reason (e.g. to file amended schedules, obtain an affidavit, etc.) your appearance at the adjourned hearing is **REQUIRED**. If you feel that you have remedied the Judge's concerns, you may contact the Court at least **three business days** prior to the hearing to request that the Court review the matter beforehand in order to avoid an appearance.

This practice is provided as a courtesy. If the Court is unable to review the matter beforehand or if you do not hear back from the Court, you must **APPEAR** or risk having the reaffirmation agreement denied for failure to do so.

When contacting the Court, please bring all reaffirmation related requests to the attention of Elizabeth Wolf.

Thank you for your cooperation.
