

SYRACUSE DIVISION

Revised 10/29/2020

Information for Participating in a Hearing by Telephone through AT&T Conference Call Feature

In order to protect the public health and prevent the spread of the COVID-19, the Court has implemented the following procedures for telephonic hearings in the Syracuse division. Unless otherwise directed by the Court, all hearings will be held telephonically using this AT&T system at no cost to the parties or the public.

Pursuant to NDNY LR 5.8, recording of any court proceeding, regardless of the medium, is prohibited without prior notification and approval of the presiding judicial officer. Likewise, LBR 5007-1 prohibits recording or broadcasting of judicial proceedings.

It is our intent to continue to make digital audio recordings of court hearings in the Syracuse division available on the court's docket through PACER. The files are generally available 24 to 48 hours after the conclusion of a hearing.
