NOTICE TO THE BAR AND COURT USERS

Our Court is committed to complying with current state and federal directives intended to limit the spread of the COVID-19 virus.

Administrative Order 20-3 provides that, pending further notice, all future court proceedings shall be conducted telephonically by AT&T or direct call in the Albany and Syracuse Divisions, and by CourtCall in the Utica Division. If holding such a hearing requires law office personnel to perform tasks that cannot be performed in a telework capacity and are not deemed "essential", it is expected that an adjournment of the hearing will be requested.

To facilitate attorney compliance, the requirement of providing chambers copies pursuant to LBR 9013-1(h) is temporarily suspended.
