

**UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF NEW YORK**

NOTICE: Changes To Case Assignments and Hearing Days and Times in the Albany Division

Case Assignments

Judge Robert E. Littlefield, Jr.'s fifth recall term expires on September 30, 2025, and he has decided not to seek a sixth recall term. The Northern District's current case filings have prompted the Judicial Conference of the United States to recommend to the Second Circuit that the vacancy created by Judge Littlefield's departure not be filled at this time. Thus, as of September 29, 2025, all new cases and related adversary proceedings filed in the Albany Division will be assigned to Judge Patrick G. Radel. In addition, beginning September 29, 2025, we will begin reassigning pending cases and related adversary proceedings in the Albany Division to Judge Radel. Following the reassignments, the judge's initials at the end of the bankruptcy case and adversary proceeding numbers will change to "PGR," but the case and adversary proceeding number will remain unchanged.
